PROGRAM UPDATES

The Medical Cannabis Visit Cost Website was recently updated and it is seeing a lot of traffic! Many patients have found it helpful to visit this website as they compare prices charged by qualified medical providers (QMPs) for initial and renewal medical cannabis evaluation visits.

Only QMPs and medical clinics who represent online or in printed material that they offer medical cannabis evaluations are required to report their fees. The fees posted are estimates and patients who use insurance should always contact the clinic to confirm what their out of pocket will be.

If an individual notices a price posted on the website is significantly different than the price actually charged by a clinic, please submit a Utah Department of Health Medical Cannabis Complaint Form using the name of the QMP with whom you met.

The Office of the Utah State Auditor highlighted this website during the past month in a press release.

FILING COMPLAINTS ALLEGING UNLAWFUL CONDUCT

If you believe a licensed medical cannabis pharmacy, licensed medical cannabis courier, or a recommending medical provider has violated Utah law and you want the complaint to be investigated, you may file a complaint against them here. The Utah Department of Health Center for Medical Cannabis (CMC) will review the complaint and determine what action should be taken. A complaint may also be filed by phone at (801) 538-6504.
