Can I use medical cannabis in Utah if I use it in my home state?

If you have a medical cannabis card in your home-state for one of the following medical conditions, you can apply for a Utah non-resident medical cannabis card.

- acute pain
- acquired immune deficiency syndrome (AIDS) or HIV
- Alzheimer's disease
- amyotrophic lateral sclerosis
- autism
- cancer
- cachexia
- Crohn's disease or ulcerative colitis
- epilepsy or debilitating seizures
- multiple sclerosis or persistent and debilitating muscle spasms
- persistent pain that lasts longer than 2 weeks.
- post-traumatic stress disorder (PTSD)
- a terminal illness that with a life expectancy of less than 6 months you're receiving hospice care for
- a rare condition or disease as defined by the National Institutes of Health.

You can use a non-resident medical cannabis card to buy and use medical cannabis while you visit Utah. These cards last 21 days and are only given out 2 times every year.

How do I apply for a non-Utah resident card?

You'll apply for a medical cannabis card in the electronic verification system (EVS). The EVS is an online database that holds all of the medical cannabis cards, recommendations, and purchase data for patients and medical providers. You must register in the EVS to get a medical cannabis card. You will need to create a UtahID to access the EVS.

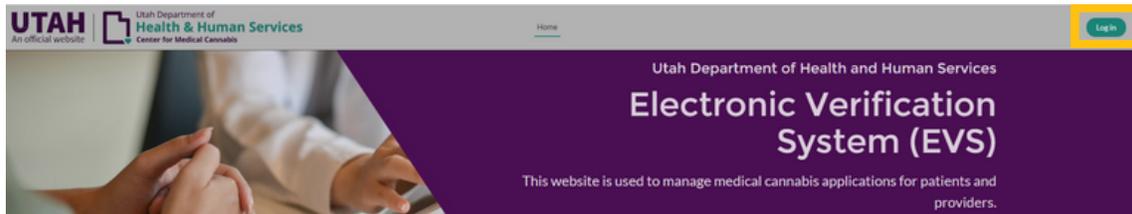

What is a UtahID?

UtahID is a state-wide account that you'll use to verify your identity before you log into the EVS. If you have a UtahID for other programs, use the same one when you apply for a medical cannabis card. You don't need to make a new UtahID just for medical cannabis.

How do I sign up for a UtahID?

Follow these steps to sign up for a UtahID **if you don't already have one.**

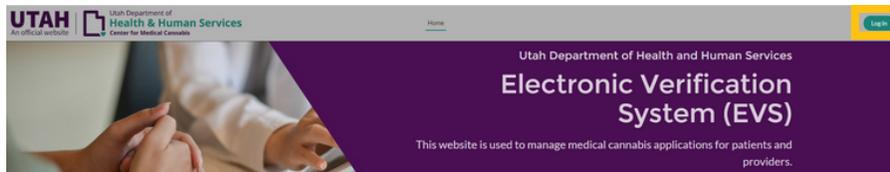

1. Go to evs.utah.gov and click the "Log in" button at the top right.

2. Follow the steps at <https://dts.utah.gov/idhelp/account-creation/> to create your account.

How do I create an account in the electronic verification system (EVS)?

1. Log in to EVS at evs.utah.gov using your UtahID.

2. You will be taken to a screen with a “Complete your registration” header.
3. Select “Patient” under the “Register as” heading. You can add more cards later. If you are applying for your minor child, select “Patient”.
4. Enter all the required details. Required information is marked with a red star. Make sure you enter this information correctly, because you won’t be able to change it later.
5. Click the “Submit” button.
6. You’ll be redirected to the EVS home screen where you can see your account information.

How do I manage my medical cannabis card in the Electronic Verification System (EVS)?

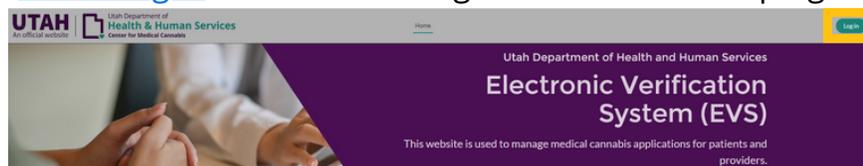

There are a lot of ways that you can manage your medical cannabis card in the electronic verification system (EVS). You can see a copy of your medical cannabis card, keep track of your medical cannabis purchases, update your personal information, and add a caregiver to your account.

How do I see a copy of my medical cannabis card?

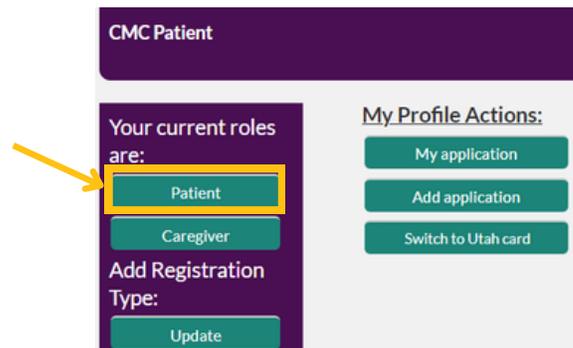

Your medical cannabis card is saved in your electronic verification system (EVS) account. You can download it to a smartphone or tablet or you can print a hard copy of it. We don't mail or email you a copy of your card.

Follow these instructions to see your medical cannabis card in the EVS:

1. Go to evs.utah.gov and click the "Log in" button at the top right.

2. You will be taken to the UtahID log in page. Log in with your UtahID.
3. On your electronic verification system (EVS) account page, click the "Patient" button on the left hand side.

4. Click the "My application" button under the "My profile actions" heading.

5. Click on your application under the "Patient ID" heading. You may see more than 1 application if your kids have medical cannabis cards.

7. Print or save your card to your smartphone or tablet. You must show your card every time you go to a medical cannabis pharmacy.

How do I track my medical cannabis purchases in the electronic verification system (EVS)?

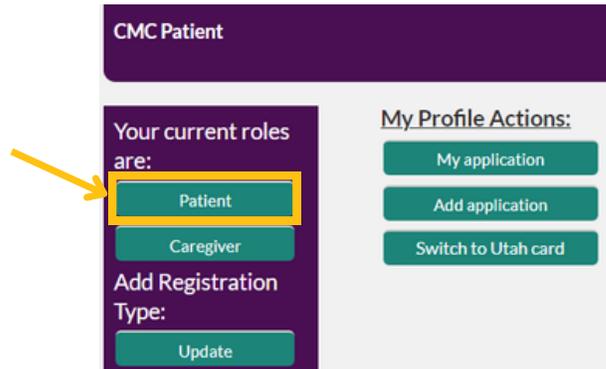

You can buy up to 113 grams of unprocessed cannabis (flower) and 20 grams of total THC in other products like gummies, tinctures, and vape cartridges while you're in Utah. This is your purchase limit. You can see your purchase limit in your electronic verification system (EVS) account.

Follow these instructions to check your monthly purchase limit in the EVS:

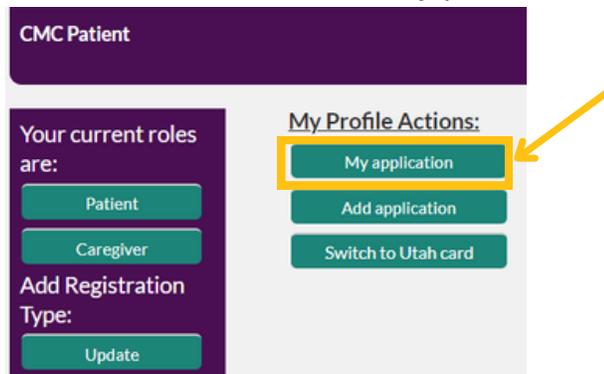

1. Go to evs.utah.gov and click the "Log in" button at the top right.

2. On your electronic verification system (EVS) account page, click the “Patient” button on the left hand side.

3. Click the “My application” button under the “My profile actions” heading.

4. Click on your application under “Patient ID”.

Patient Acknowledgement

1. I understand that the Utah Department of Health and Human Services (DHHS) may revoke the registration of a medical cannabis patient cardholder who fails to maintain compliance with the requirements of the Utah Medical Cannabis Act.

2. I acknowledge that I have received and read the Cannabis Information Document provided by the DHHS.

3. I additionally certify that I have been given actual Notice, and understand that notwithstanding the Utah Medical Cannabis Act (Act):

- o Cannabis is a prohibited Schedule I controlled substance under federal law;
- o Participation in the program is permitted only to the extent provided by the strict requirements of the Utah Medical Cannabis Act; and
- o Any activity not sanctioned by the Act may be a violation of state or federal law and could result in arrest, conviction, or incarceration.

4. Growing, distributing, or possessing cannabis under the Act, unless done through a federally-approved research program, is a violation of federal law.

5. I understand that it is the continuing responsibility of applicants and registrants to read, understand, and apply the requirements contained in all statutes and rules pertaining to the registration for which I am applying, and that failure to do so may result in civil, administrative, or criminal sanctions.

6. I understand that by applying for a medical cannabis card, limited information about me collected by the Utah Department of Health may be used for external medical research. If I wish to withdraw my consent, I understand that I may send an email to medicalcannabis@utah.gov indicating that I withdraw my consent for my information to be used for external research.

7. I certify the above information to be true and complete and no one other than me is submitting this request. I authorize the DHHS to contact me using the telephone number and email address I provided. I understand incomplete applications will not be accepted. Submission of false, misleading or inaccurate information in connection with this application is grounds for revocation of my medical cannabis patient card and other administrative, civil or criminal penalties.
