UDAF offers live scan services to Medical Cannabis Production Establishment applicants free of cost. Email cannabischeck@utah.gov to set up an appointment if interested.

For questions, please email cannabis@utah.gov.

UTAH DEPARTMENT OF AGRICULTURE & FOOD Medical Cannabis Production Establishment Owner Criminal Background Screening Authorization Form

First Name: Last Name: I understand that my personal information including name, DOB, SSN and fingerprints will be used for the purpose of conducting a criminal history records search through any applicable state and federal databases. This information will be used by Utah Department of Agriculture and Food (UDAF) to determine my eligibility for licensure as a medical cannabis production establishment owner or director, or continued licensure as a medical cannabis production establishment owner or director. My personal information and fingerprints may be retained for ongoing monitoring and comparison against future submissions to the state, regional or federal database and latent fingerprint inquiries. UDAF will establish procedures to ensure removal of my fingerprints from applicable state and federal databases when I am no longer under their purview. I understand that I may request to review any results of this inquiry and understand that UCA 53-10-108 does not allow UDAF to provide a copy of those results to me. Before a determination is made, I understand that I will be afforded a reasonable amount of time to challenge the completeness and accuracy of the record through the procedures established by UDAF as well as contacting the Utah Bureau of Criminal Identification (Utah Criminal History Results), the State Identification Bureau (SIB) associated with any results that are outside of Utah, or the Federal Bureau of Investigation (Nationwide Criminal History Response Information). Until the completion of the

background check, I understand that I will not be issued a medical cannabis production establishment license and continued licensure is contingent upon the results of the background screening. I have read this Privacy Act Statement and understand my rights according to this statement.

Applicant Signature:	Date:

By initialing this line, I acknowledge I have received and read the attached FBI Privacy Act Statement.

FBI Privacy Act Statement

(Written copy must be provided to all applicants submitting fingerprints for an FBI background check. Also located on the back of the FBI Applicant fingerprint card FD-258)

Authority: The FBI's acquisition, preservation, and exchange of fingerprints and associated information is generally authorized under 28 U.S.C. 534. Depending on the nature of your application, supplemental authorities include Federal statutes, State statutes pursuant to Pub. L. 92-544, Presidential Executive Orders, and federal. Providing your fingerprints and associated information is voluntary; however, failure to do so may affect completion or approval of your application.

Social Security Account Number (SSAN). Your SSAN is needed to keep records accurate because other people may have the same name and birth date. Pursuant to the Federal Privacy Act of 1974 (5 USC 552a), the requesting agency is responsible for informing you whether disclosure is mandatory or voluntary, by what statutory or other authority your SSAN is solicited, and what uses will be made of it. Executive Order 9397 also asks Federal agencies to use this number to help identify individuals in agency records.

Principal Purpose: Certain determinations, such as employment, licensing, and security clearances, may be predicated on fingerprint-based background checks. Your fingerprints and associated information/biometrics may be provided to the employing, investigating, or otherwise responsible agency, and/or the FBI for the purpose of comparing your fingerprints to other fingerprints in the FBI's Next Generation Identification (NGI) system or its successor systems (including civil, criminal, and latent fingerprint repositories) or other available records of the employing, investigating, or otherwise responsible agency. The FBI may retain your fingerprints and associated information/biometrics in NGI after the completion of this application and, while retained, your fingerprints may continue to be compared against other fingerprints submitted to or retained by NGI.

Routine Uses: During the processing of this application and for as long thereafter as your fingerprints and associated information/biometrics are retained in NGI, your information may be disclosed pursuant to your consent, and may be disclosed without your consent as permitted by the Privacy Act of 1974 and all applicable Routine Uses as may be published at any time in the Federal Register, including the Routine Uses for the NGI system and the FBI's Blanket Routine Uses. Routine uses include, but are not limited to, disclosures to: employing, governmental or authorized non-governmental agencies responsible for employment, contracting licensing, security clearances, and other suitability determinations; local, state, tribal, or federal law enforcement agencies; criminal justice agencies; and agencies responsible for national security or public safety.

Additional Information: The requesting agency and/or the agency conducting the applicationinvestigation will provide you additional information pertinent to the specific circumstances of this application, which may include identification of other authorities, purposes, uses, and consequences of not providing requested information. In addition, any such agency in the Federal Executive Branch has also published notice in the Federal Register describing any system(s) of records in which that agency may also maintain your records, including the authorities, purposes, and routine uses for the system(s).
